Drink

KOA

Chocolate Drink

INGREDIENTS

20 g Koa Pure
20 g dark couverture 65-70% *
60 g oat or cow's milk

RECIPE

Mix grated couverture with milk and Koa Pure in a milk frother. Heat and foam at the same time. Enjoy warm or cold!

* Felchlin's couvertures Maracaibo or Sambirano are ideal for the Koa Chocolate Drink.

DO IT THE KOA WAY

We use the cocoa fruit's full potential. By doing so, we reduce food waste and increase the income of small-scale farmers in Ghana. The cocoa fruit juice is a new, sustainable ingredient for your creative drinks full of flavour and positive impact.

Ideas, feedback or just saying hi?
We're looking forward to hearing from you.
