

KOA

Cold Brew

KOA

Cold Brew

INGREDIENTS

100 g coffee, coarsely ground
1 L water, cold
40 ml Koa Pure
Ice cubes

RECIPE

Stir coffee and water in a bowl.
Cover and leave in the fridge for
10-12 hours and filter afterwards.
Pour a portion of cold brew (120
ml) over ice cubes into a glass.
Add Koa. Optional: Pour some
Cold Brew into a cream jar (e.g.
iSi Nitro) and add as a topping.

comes from

DO IT THE KOA WAY

We use the cocoa fruit's full potential. By doing so, we reduce food waste and increase the income of small-scale farmers in Ghana. The cocoa fruit juice is a new, sustainable ingredient for your creative drinks full of flavour and positive impact.

Ideas, feedback or just saying hi?
We're looking forward to hearing from
you.
